A NOTE FROM THE

AUTHOR

I wrote this a really long time ago. I knew nothing about proper script formatting, much less how to write realistic dialogue. I apologize.

Also, the girl's name has been changed from ARIEL to ANNA.

This is the partial script for an interactive game I was going to make but never did. I filmed most of the parts you see here. Some are probably missing.

INT. A SUBURBAN TOWNHOME

We see a couch. ARIEL enters stage right, sits down, and grins. She is wearing a T-SHIRT which is baggy enough to conceal whether she's wearing a bra, SHORTS, SENSIBLE PANTIES, and SHOES AND SOCKS.

ARIEL
(to camera)

Hi. I heard that you liked to play stripping games. Well, I just love making guys strip and show me their little wee-wees, so I'm up for it. What did you have to play? The PLAYER now may make a choice of one of four options, "BATTLEBOATS", "PONG", "SURGEON", and "ROCK-PAPER-SCISSORS." In addition, there is a RULES link next to each of them. Clicking the link causes ARIEL to say how it's played:

ARIEL

Are you saying you don't know how to play Rock-Paper-Scissors? Sheesh! Rock crushes scissors, scissors cuts paper, paper wraps rock. Is that simple enough for you?

COMBATBOAT

Yeah, I know, it might look like Battleship (beeped in post), but it's not. Whoever loses a ship loses a piece of clothing. Of course, there's five ships, and we're only wearing two pieces each, so we'll have to think of some way to deal with that.

ARIEL

Back to the 70s, eh? As it happens, I have a version of Pong right here. And I've been practicing at it, so I'm good.

ARIEL

This is one of my favorite games... "SURGEON." It might look like Operation by Hasbro, but its not. (note: "Operation" and "Hasbro" are beeped out in postprocessing). We each take turns trying to remove something from this guy without touching the sides (demonstrates). If you fail, you strip.

The PLAYER has finished the rules and selected a game to play.

Note: All of the LOSS option forfeits take place when Ariel is fully clothed; she dresses before making the player do the forfeit. Not all forfeits are offered when she is fully clothed, so you may see player performance of forfeits you haven't seen offered yet.

ARIEL

Okay, let's do it. Prepare to get naked.
Premium option: basic exposure

ARIEL

And the loser has to do a nice, slow naked twirl in front of the winner, all right?

Unlock option: Extra exposure

ARIEL

If you're so confident, how about this? Whoever loses has to completely expose himself to the winner... for two minutes.

ARIEL

Now, I believe there was something about complete exposure? That's right, big boy, let's get a nice long look. Spread your legs out. (She peers intently ahead) (She bursts out laughing) HA HA! Look at it!

She is overcome with the giggles

ARIEL

Okay, now let's check out the rear view. Turn around and bend over. (Camera does that). Spread out your cheeks... Wow, I know some gay men that would love to get some of that. Okay, you can turn around now. Thanks, sweetie.

Unlock option: Photo madness

ARIEL

And the winner gets to take pictures.
She lifts a CAMERA.

ARIEL

Hee hee hee... Now let's get some nice photos!
 She takes pictures repeatedly as
 she says:

ARIEL

Okay, open your legs, let's see that dick (click). Now lift it up, let's get a good look at your balls. (click). Stand up. (click) (camera rises) Hands on your head (click), Turn around (camera revolves in a circle), No, slower (camera turns in a slower circle) now shake it! (camera oscillates) (click). Ha ha ha! (looks at the camera) These are so going on the Internet!

Unlock option: external exposure

ARIEL

All right! I told you I'd win! Looks like you're about to get a wee bit chilly!

She goes over to the GLASS SLIDING DOOR and opens it.

ARIEL

Out you go! I sure hope none of the neighbors is looking out the window! (giggles)

Unlock option: no covering up

ARIEL

Right, right, no covering up.

ARIEL, still wearing the TANKTOP outfit, stands up.

ARIEL

Okay, are you ready to lose? I've got a knack for this game. Here we go...

ARIEL

One, two, three (throws rock) One, two, three (throws scissors) One, two, three (throws paper) Hey! You didn't pick anything! I win by default. Yes! First blood to me. Take off your shirt. At this rate you're gonna be stark naked before I've lost anything! Take off your pants!

Unlock option: Outside exposure

ARIEL

Look at you! Down to your undies and I haven't lost anything yet! I am so going to beat you. Tell you what... let's say the loser has to go outside, totally, stark, butt naked. Totally skunked! Come on, get 'em off, let's see what you're hiding!

ARIEL

Well, you may have won the first one, but I'll catch up...
um... I guess I'll take off my shoes.

Unlock option: "Shoes and socks
don't count." Free option: "Shoes
and socks have to come off
together."

ARIEL

Oh, come on, really? Fine, be that way.

ARIEL

Okay, shoes and socks it is.

ARIEL reaches down and removes her
shoes and socks.

NOTE: From this point on, each
scene must be filmed TWICE, once
with shoes, once without.

ARIEL is wearing a tank top,
panties, and shorts.

ARIEL

One, two, three (throws rock) One, two, three (throws
scissors) One, two, three (throws paper) Hey! You didn't
pick anything! I win by default. All right! Second blood to
me. Take off your shirt. Now we're getting somewhere. Off
with your pants. Ha ha! All you got to see is my bare feet
(wiggles them) but I get to see all of you now! Take it off!
(puts her shoes and socks on) Damn it! Okay, I guess it's
time for the shorts.

ARIEL removes her shorts.

ARIEL

Happy?

ARIEL wears panties and T-Shirt

ARIEL

One, two, three (throws rock) One, two, three (throws
scissors) One, two, three (throws paper) Hey! You didn't
pick anything! I win by default. Okay, finally I won one.
Get that shirt off. Looks like you're getting close to
losing. Take your pants off. You lost everything, and I'm
still totally covered. Take off your underwear, let's see
your dick!

ARIEL

Um...

Slowly and hesitantly she lifts her
shirt. She glances alternately at
the camera and then down at
herself. The shirt comes up just

ARIEL (cont'd)

enough to reveal the bottoms of her braless breasts. She looks down again, then slowly raises the edge of the shirt. The barest hint of aureola comes unto view, she inhales sharply and pushes the shirt all the way back down to cover her panties.

ARIEL

Listen, I... Um... I'm not wearing a bra, and... Um... Look, I'm sorry, I just can't do this.

She snatches up her pants, socks, and shoes and runs off frame.

Unlock option: Purchase full game

ARIEL returns to her mark.

Unlock option: Ariel is braless

ARIEL

Um...

She slowly and hesitantly raises her T-shirt, as before. This time, rather than snapping the shirt back, she turns to the camera.

ARIEL

Dammit! Of all the days not to wear a bra!

She wrestles the shirt the rest of the way off, then moves her hands to cover her breasts. She looks at the camera, then looks down and to the side. Slowly she lowers her arms to her sides.

ARIEL

Well, I hope you like them.

ARIEL puts on a BRA and puts her T-SHIRT on over it

ARIEL

Okay, maybe things aren't going so well, now I'm down to my underwear.

(she removes her T-shirt, then puts it back on)

ARIEL

So what if I'm down to only two pieces? You're down to only one.

(she removes her T-shirt)
ARIEL wears bra and panties

ARIEL

Okay, this is getting serious now. One, two, three (throws rock) One, two, three (throws scissors) One, two, three (throws paper) Hey! You didn't pick anything! I win by default. FINALLY I win won! I'm down to my skivvies here! Okay, hand over the shirt. Looks like I'm catching up! We're both down to our underwear. Woo hoo! You have to get naked, and I don't have to show you anything important, so there. AND you don't get to see me tweak my nipples!

Unlock option: She's got a point(s)
ARIEL reaches behind her and unclasps her bra. She brings the straps over her shoulders and lets the ends come forward. She takes a deep breath.

ARIEL

Look, I really don't want to have to take off my bra. Can't I do something else?

Free option: Nope, let's see those breasts. Unlock option: What did you have in mind?

ARIEL

How about if I lose again, I'll not only take my bra off, but I'll rub my nipples for you until they're nice and hard?

ARIEL

Oh, fine, here you go.

She removes her BRA, keeping her breasts covered as well as she can.

ARIEL

Your ass is mine.

Unlock option: "no covering up!"

ARIEL

Hey, we never said that. I'll cover up if I want to.

ARIEL

(sighing)

Fine, fine. Take a good look.

She moves her hands out of the way, exposing her breasts. She reapplies her BRA

ARIEL

Um... Oops. I guess I lost again.

She reaches around and unfastens her bra. She brings it forward, keeping herself covered again.

ARIEL

Um... Yeah. I guess I promised to do this...
 She moves her hands away from her
 breasts and tweaks her nipples
 until they're erect.

ARIEL

There, are you happy?
 The next scene is filmed with ARIEL
 topless but covering herself

ARIEL

One, two, three (throws rock) One, two, three (throws
 scissors) One, two, three (throws paper) Hey! You didn't
 pick anything! I win by default. All right! Finally I won
 one. Get your shirt off. Looks like I'm catching up! Time
 for your pants. Whew! I can't believe I won, that was so
 close! That was too close. Hold on a second.
 She turns her back and gets dressed

ARIEL

Okay, boy... Now off with those undies!

ARIEL

Um... Look... I really don't want to take off my panties.
 You won, okay? Won't you let me just keep them on?
 Free option: Well, okay Free
 option: Hell no! Unlock option:
 What would you do instead?

ARIEL

Thank you, thank you very much. I owe you one. If you let me
 keep my panties on, I'll rub ice cubes into my nipples.
 Okay, thanks.

ARIEL rubs ice cubes into her
 nipples.

ARIEL

Okay, fine, I lose.
 She removes her PANTIES, continuing
 to cover herself.

ARIEL

I guess I promised to do this.
 She uncovers herself and does a
 slow twirl for the camera.

ARIEL

Okay... What do you want to see?

ARIEL

Please don't put those photos on the Internet.

Ariel is back on her mark, wearing her panties, and she is NOT covering up.

ARIEL

Okay, come on, let's go. One, two, three (throws rock) One, two, three (throws paper) One, two, three (throws scissors) Not a good time to choose nothing! I win. I don't suppose I'll catch up now, but at least I get to see your chest. Take off your shirt. Wow! I can't believe it! I'm actually going to beat you! Take off your pants, please, and prepare to get naked. Yes! I knew I could do it. Come on, now, let's see your pee-pee. Oh yeah, that's nice. Now you just stand there naked for a minute. (she dresses)

ARIEL sighs, hands on her hips, the movement making her breasts bounce.

ARIEL

I guess you won. You've already seen my tits, I guess now I have to show you my pussy.

She does just that.

ARIEL

Well, I guess the game's over. I can't believe I didn't even get anything off of you. Damn it, I wanted to see what was under those pants. Well, have your good look. I can't believe I came so close! Look at you there, in your undies! It looks to me like it's getting hard, is it?

Player answers: NO

ARIEL

Yeah, right. Well, if my naked body doesn't excite you, good night then. I'll leave you with one final twirl. (she does). Nighty-night.

Player answers: YES

ARIEL

I was pretty sure it was. Listen, give me one more chance to see it, all right?

Free option: "No thanks."

ARIEL

Oh... you want to look, but not show? Well, all right, I guess you have that right. After all, if I'd won, I wouldn't be showing you right now. (final twirl)

Free option: "But what will you bet?"

ARIEL

Um, how about if I lose, you get to give me a forfeit?

Free option: "Never mind" (see "no
thianks")

Premium option: "You're on!"
(may only proceed if you have
unlocked content or sufficient gold
tokens to buy)

ARIEL

Well, all right. Prepare to get naked.

ARIEL

Yay! I knew I could catch up! Okay, buddy, time for you to
get naked too. (beat) Nice. And I don't have to do an
embarrassing forfeit. I wonder what you would have made me
do?

ARIEL

Okay, I guess I lose again. What do you want me to do?
Premium option: "Take a shower"

ARIEL

A shower? You want to see me getting all soapy and wet? (she
squirms) Well, I guess I lost the bet, so I'll do it.
She takes a SHOWER

ARIEL

There you go, I'm all nice and clean.
Premium option: "Pour a beer over
yourself in the shower"

ARIEL

That's kind of weird... But I guess your wish is my command.
She DOES

ARIEL

Yikes! The bubbles feel tingly.
Premium option: "Rub baby oil into
your breasts and tweak your nipples
for one minute."

ARIEL

Ooh, that's pretty naughty of you.
She DOES.

ARIEL

God... I can't believe you're making me get aroused in front
of you.

A MINUTE goes by, counted down on
the screen.

ARIEL

I don't want to stop.

She continues for a little while longer, obviously enjoying herself. Then she gets on her knees and looks up at the camera.

ARIEL

Okay, I lose. Now, are you really not going to let me see what's in that underwear? Maybe I could make it worth your while.

CUT TO:

EXT TOWNHOUSE

We see a SLIDING GLASS DOOR. Behind it, we can see naked ARIEL. She nervously slides the door open and steps outside, then slides it (mostly) closed again.

ARIEL

Brrrr! It's cold out here!

Ariel just stands around naked outside for a bit while the camera drinks in her body.

ARIEL

C'mon! This isn't fair. Can't I go inside yet? The neighbors might see!

There is no response and ARIEL has to stand there.

ARIEL

I'm freezing! C'mon! Oh, all right. Here.

Ariel puts her hands on her head and turns 180 degrees. She pauses, looks back over her shoulder, then turns around again.

ARIEL

Please can we go in now?

GOWAN
(O.S.)

Holy shit!

ARIEL
(pointing O.S.,
shrieking)

Oh, fuck, it's Mr. Gowan!

She turns around frantically and
tried to go inside, but she has
trouble with the door.

GOWAN
(O.S.)

Joe! Larry! Come check this out! Ariel's naked!

ARIEL

Shiiiiit!

She finally gets the door open and
goes INSIDE.

RIEL

Hi, I just got back from work. Listen, I've been thinking
about that game we played, and I don't think it was fair.
You know Rock Paper-Scissors is all luck. Try me at a game
of skill.

User input: "sure, okay."
